State Field ID	Field	Definition
<b>Inpatient Days by Payer</b>		
200110	Medicaid-FFS	<p>Qualified Medicaid providers are paid for each covered service such as an office visit, test, or procedure according to rates set by the state. States may develop their payment rates based on:</p> <ul style="list-style-type: none"> <li>(1) the costs of providing the service;</li> <li>(2) a review of what commercial payers pay in the private market;</li> <li>(3) a percentage of what Medicare pays for equivalent services. The service provided must correspond to the description of covered services under the Medicaid state plan, and the service must be delivered by a qualified Medicaid provider</li> </ul>
200120	Medicaid-MCO	<p>Medicaid and additional services in the United States through an arrangement between a state Medicaid agency and managed care organizations (MCOs) that accept a set payment - "capitation" - for these services. The State pays the MCO a monthly premium to cover the services provided to a beneficiary.</p>
200130	Medicare-FFS	<p>A system of health care payment in which a provider is paid separately for each particular service</p>
200140	Medicare-MCO	<p>A managed care plan is one way to get coverage for the health care bills that Medicare doesn't pay. Medicare managed care plans are MCOs or PPOs that provide basic Medicare coverage plus other coverage to fill the gaps in Medicare coverage.</p>
200150	Other Government	<p>DOD TRICARE, VHA, and IHS, etc. - serve particular populations with whom the federal government has a special relationship, respectively, military personnel and their dependents, veterans, and Native Americans.</p>
200160	PPO's, Insurance and Non Medicaid/Medicare MCO	<p>Preferred Provider Organization(PPO)- A health care organization composed of physicians, hospitals, or other providers which provides health care services at a reduced fee. A PPO is similar to an HMO, but care is paid for as it is received instead of in advance in the form of a scheduled fee.</p> <p>Health insurance is a type of insurance coverage that pays for medical and surgical expenses incurred by the insured. Health insurance can reimburse the insured for expenses incurred from illness or injury, or pay the care provider directly.</p> <p>Health Maintenance Organization(HMO). A form of health insurance combining a range of coverage in a group basis. A group of doctors and other medical professionals offer care through the HMO for a flat monthly rate with no deductibles. However, only visits to professionals within the HMO network are covered by the policy.</p>
200170	Private Pay	<p>A type of payment where the patient's own resources pay for the care. A contract is signed between the person responsible for payment and the facility.</p>
200180	Charity Care	<p>Free or discounted medical care and especially hospital care provided to patients who do not have health insurance or are unable to pay for all or part of medical costs due to limited income or financial hardship.</p>
